

We are pleased to announce Kentucky's 14th Annual African-American and Hispanic Leadership Conference on HIV/AIDS (AAHLC); set for Friday, Sept. 25, through Saturday, Sept. 26, 7:30am – 4:30pm at the Cincinnati Airport Marriot, 2395 Progress Drive, Hebron, KY 41048. There will also be a special free Faith Based institute and dinner on Thursday, Sept. 24 at 6:00pm.

The planning committee invites your company to be an exhibitor at this historic conference and take advantage of one of the largest venues for regional residents infected and affected by HIV to come together around issues of importance and participate in informative and interactive sessions presented by nationally recognized speakers in the field. The conference, designed to draw attention to and stop the spread of HIV, will provide valuable information on HIV/AIDS education, information dissemination, technical assistance, HIV testing and medical updates, in an effort to mobilize African-American and Hispanic/Latino community leaders to join the fight against the epidemic. Conference attendees will be provided with the skills and knowledge to return to their communities and implement effective interventions aimed at stopping the spread of HIV.

There are limited exhibition slots, so please act quickly in order to be able to leverage the vast networking and collaborative opportunities offered by this conference. The exhibition fee is \$50 for non-profit organizations and \$500 for profit; and includes free registration for 1 person, a display table & skirting, and 2 chairs. All responses and booth fees must be postmarked by August 31, 2009. You will need to contact the hotel to make reservations; refer to the African American/ Latino Leadership Conference on HIV/AIDS to obtain the discounted rate.

To confirm your participation, please fill and mail or fax the attached form to the contact information listed on the form. All responses and booth fees must be postmarked by August 31, 2009. For more information, contact Beverly Mitchell or Michael Hambrick at 502-564-6539 extensions 3558 and 3560 respectively or visit www.aahlc.com.

Sincerely,

The AAHLC Planning Committee
